Animal testing statement

Dear Sirs,

We are importer/exporter of botanical raw materials, pharmacy-only raw materials as well as botanical raw materials from controlled organic cultivation which are pure natural products.

In the sense of a further processing, our articles will only be cut, milled or processed to herbal mixtures.

We by ourselves do not make any animal tests and also do not give any into commission.

In the hope, that this information will be of help to you, we remain with

Kind regards from Gittelde.

Your QM Team of the Alfred Galke GmbH
